Making Team Projects Work

A Resource for High School and College Educators

By Timothy M. Franz & Lauren A. Vicker

"Highly recommended. This practical resource offers a wealth of information, tips, and instructional strategies"

Steven A. Beebe, Ph.D., Regents & University Distinguished Professor, Texas State University

Get a free Kindle copy of *Making Team Projects Work** and we'll send you a free preview copy of our companion student guide, *The Making Team Projects Work Student Toolkit*. **Three days only: Tuesday, May 3 to Thursday, May 5.**
